To Whom It May Concern:

I am writing in RE: to your booklet, "Plain Talk about Spanking," and would like to order copies to have available for parenting workshops.

We are a non-profit human service agency and I coordinate and present workshops for parents of children, infants – teenagers. We conduct about 20 workshop series in a year, plus offer about 30 one-night presentations.

This booklet would be a great resource for the families we work with.

Thus, if I could receive 40-80 copies of "Plain Talk about Spanking" it would be greatly appreciated. These can be sent to:
